

PLANT Municipal Advisory Committee Minutes  
January 8, 2004

The meeting was called to order at 7:08 p.m. and Minister Sallie Harris led us in pray. The minutes from the last meeting (December 4, 2003) was read and Dan Adams made the motion to approve the minutes. Sallie Harris seconded and all approved. Mr. Ford passed out a new USMA Budget and a colored map of the area. Mr. Adams has left messages for Mrs. Gray (Edge) and the talks with REMAC have broken down. A presentation by DERM was given.

The purpose of DERM is to protect Natural Resources, water, air, wetland and trees.

Incorporation will have no effect on DERM and services will be the same. When incorporation happens then communities can pay off their fare share. Communities can create their own service. The

next presentation was given by Building Department. Plans are reviewed and permits are issued. The options that a community has are as follows: Dade County will continue or create your own department. You can also subcontract. The Building Department still must deal with other departments. A presentation by DSWM was given. Trash is pick-up 2 times a week and recycle is done 1 time a week. Recycling is a very important service and new ways of conserving energy is on going. Dumping is a ticketed crime. The final presentation was given by Planning & Zoning. Control over urban expansion is done thru the Master Plan. Public hearings and inspections are done. Preparation for the 1st public hearing will be the topic at our next meeting. The location will be at the elementary school on the 19th of February. The purpose of this meeting is to get the public concerns and to give information to the public. The meeting adjourned at 8:40 p.m. and Mr. Edwards made the motion to adjourn. Mr. Adams seconded and all agreed. The next meeting will be on January 29th.
